Re :BOUNDARIES – OBJECTION

I wish to object to the boundary for the district of BUNBURY.

That the area to the South of your proposed district of Bunbury stops at the Local Government boundary of the Shire of Capel as it has for years, totally ignoring the fact that the people in Dalyellup see themselves as part of Bunbury. Certainly NOT part of Collie . in fact many residents of Dalyellup have never been to Collie

I note from your mail-out that you must consider, amongst other things

- community of interest
- land use patens
- means of communication
- trend of demographic.

Whilst I appreciate that you must “Get the numbers right ” but could you please reconsider the use of old and outmoded local government boundaries.

Until recently I was the owner of a significant piece of farmland just outside the LGA of Bunbury and required to deal with a member who was not fully aware of the special needs of the area,

Yours Faithfully,

Brian Handcock
