Dear Sir

Re: Proposed New State Electoral Boundaries

In response to the above, the Shire of Esperance would like to advise that it supports the proposed new State Electoral Boundaries which has the Esperance community in the new set of Eyre for the Lower House and the Mining and Pastoral Area for the Upper House.

The proposed changes meet with the criteria that we believe were important in this consideration, namely a sense of community of interest, historical and economic links between the Southern Goldfields and South East region of the State of Western Australia.

Yours faithfully,

Michael S L Archer
Chief Executive Officer
