Dear Sir

**SEAT OF MURRAY**

I refer to the latest change of the Waroona District to be included in the seat of Murray.

The Waroona Branch of the Liberal Party of Western Australia requests that the seat of Murray have its name changed. The Branch has considered a number of localities and sees that geographical names or locality names would not be representative of the seat.

It is therefore our submission that the seat be changed to the seat of **McNeil** after the honourable Neil McNeil. We have spoken to the McNeil family who are happy with this request.

Should you have any further request please do not hesitate to contact me.

Yours Sincerely

**STEVE CLEAVER**

President, Waroona Branch Liberal Party of Western Australia
