Subject: boundary changes for elections

To Whom It May Concern,

Firstly I am no genius in relation to electrol stuff, I am writing as a person who often deals with our local politician of the day as do friends of mine.

Now we all live in Ballajura, I live in the part that is touted to stay in the West Swan area and my friends live in the area that you want to put into the new area referred to as Mirrabooka.

This is totally ludicrous , we have a very poor bus service when you consider how close we are to Perth relatively speaking and when we want the issue raised in parliament about this we can both go to the same politician of the day and get them to either talk to their party (if they happen to be the ones in govt) about the situation or if they are in opposition then it gives them something to challenge the govt on because it is a strong issue here(and there are lots of other issues that are best served by being able to deal with the one politician, one party and get a strong voice heard).

Now if you split off the bit of Ballajura you are talking about doing then if the situation arises (as it could very well do) that my friends bit of Ballajura ends up with a member of parliament who belongs to the govt of the day and my bit of Ballajura has as its member a person from the opposition, we are not going to be able to get a fair hearing of our issues.

Ballajura has ALWAYS been in the one electoral area and it SHOULD STAY THAT WAY and I URGE YOU to KEEP BALLAJURA fully in the seat of West Swan.

Thank you

Mrs Margaret Anne Ryan
