Warwick Gately
Electoral Commissioner
Office of the Electoral Distribution Commissioners
GPO Box F316
PERTH WA 6841

Dear Mr Gately

NEW WESTERN AUSTRALIAN ELECTORAL BOUNDARIES – COTTESLOE DISTRICT

Thank you for your letter and supporting information regarding the redistribution of electoral boundaries.

I believe that the eastern boundary of the Cottesloe Electoral District should remain as it is, that is encompassing the whole of the Town of Claremont local government boundary within this electorate.

It is accepted that the northern boundary would be the subject of change, perhaps reverting to that established in 1994.

I thank the Commissioners for their consideration of this request.

Yours sincerely

COLIN J BARNETT MLA
