

## 2015 division – final boundaries

### Country Regions

The configuration of the three country regions has been materially affected by the decision to reduce the number of districts from 17 to 16. The alteration of regional boundaries between the country regions is largely a consequence of that decision.

**Table 4: Numbers of parliamentary representatives and electors by Country regions after final boundary changes**

Country region	No. of Legislative Council representatives per region (6 per region)	No. of Legislative Assembly representatives per region (1 per district)	Number of electors at close of electoral roll <sup>1</sup> after final boundary changes	Area (sq km)
Agricultural <sup>2</sup>	6	4	101,229	281,264
Mining and Pastoral <sup>2</sup>	6	4	96,894	2,200,083
South West	6	8	205,270	44,870
Total <sup>2</sup>	18	16	403,393	2,526,217
Average district enrolment – Country			25,212	
VFADE <sup>3</sup>			+ 1.16%	

<sup>1</sup> Electoral roll closed on 9 March 2015.

<sup>2</sup> Includes Large District Allowance.

<sup>3</sup> Variation From Average District Enrolment at 9 March 2015 includes large district allowances for districts in Mining and Pastoral Region and Agricultural Region.
