Query: I have just heard that Cockburn is going to be split up anyway, even after ALL the hassle that we all went through last time. The big debates, the massive public outcry to keep Cockburn the WAY IT IS, the voting, the surveys... and finally the public won. We got what we wanted, since we are the people that you guys represent, aren't we? But no, now I read that it's going to be split up anyway. What is going on here? Don't you realise we dont want this? When is this coming into play and do we get a choice in this? Crazy.
