RE: CONCERNS REGARDING THE REVISED WAGIN STATE ELECTORAL WARD

Recently advice was provided that the State Wagin Electorate has been greatly increased to include the area of Esperance and surrounds.

This is greatly concerning to the Narrogin Council and residents due to the reduction of representation that the electors will receive across the entire Ward. The distances required to cover such an expansive area when the majority of electors reside on the western aspect of the ward clearly outlines that impacts will be felt from sections of the electorate.

As stated the Narrogin Council and community is concerned of the negative impacts of this ward boundary change and requests that this be reconsidered as a matter of priority.

Should you require any additional information please contact myself at the administration centre on 9881 1944.

Yours sincerely,
