Dear Sir

RE: 2011 REDISTRIBUTION BOUNDARIES

The Shire of Dardanup considered the proposed new state electoral boundaries as released by the Commissioners at their ordinary Council meeting held on Wednesday the 22nd June 2011.

Council resolved to acknowledge the proposed boundaries and request that the Commissioners keep Council informed and allow Council to make a further submission if there are any submissions that propose to amend the draft boundaries that may affect the Collie-Preston electorate.

Thank you for giving Council the opportunity to comment.

Yours sincerely

MR MARK L CHESTER
Chief Executive Officer
