To Whom It May Concern:

I am writing to express my concern about the proposed changes to the electoral boundaries for Carine.

Splitting the Carine Electorate and extending the boundaries for Padbury Electorate as far north as Beldon and as far south as Gwelup does not represent and will not create a cohesive community.

My children went to both Carine and Duncraig high schools, which are currently within the existing Carine Electorate boundaries, and most of their social groupings were with other students from the suburbs of Sorrento, Marmion, Watermans Bay, Duncraig, Carine, Karrinyup and Gwelup. Sporting clubs that use the Carine Open Space also draw their members from those same areas.

Therefore, making minor adjustments to the existing boundaries should be given high priority to account for changes in the population. I believe that it would be much more beneficial for residents of these suburbs to continue to build on existing relationships that have been formed in the Carine Electorate over many years.

Splitting the existing Carine Electorate in half as proposed by the new Hillarys and Padbury Electorates does not offer any community benefits.

Yours faithfully

Julie Vincent
