Bunbury should shed territory to the border of dalyellup and take in the remainder of gelorup to reunite the suburbs into one district.

City of Swan - the division is currently spread across 6 districts and the commission is proposing to expand it into a 7th district. It could easily be reduced to 4 as I have demonstrated in my proposal and the city of Swan has previously asked for the amount of districts it encompasses to be reduced.

Butler - the dividing of suburbs is unnecessary as I have demonstrated it can compacted into a smaller area by shedding the northern suburbs and taking the suburb of Quinns Rocks.
