Suggestions-changes to boundaries in Girrawheen

The Lions club is a service organisation which is involved in a range of community projects and fundraising in the suburbs within the seat of Girrawheen.

Our club meets at the Girrawheen Seniors Citizens Centre.

Through our volunteering efforts we are extremely familiar with the profile of these suburbs.

Marangaroo and Girrawheen are very multicultural, contain many families doing it tough and confronting issues which need the dedicated assistance of a member in the immediate area.

It is convenient that currently the electoral office of the member for the seat is in Girrawheen and serviced by public transport.

But despite these challenges the local community is closely knit, has common interests and concerns and any separation of suburbs or dividing suburbs between two or more seats is unsatisfactory.

We have noticed that recent changes to zoning laws in Girrawheen will mean locals are seeking to subdivide their properties. We expect that will mean more families moving in and an injection of younger people.

As we meet at the Senior Citizens Centre we notice that these buildings are being used by the Wanneroo Council to provide services and information to those who live in the southern areas of the City. It is becoming very popular. Ideally those who are likely to make use of this community asset will also be within the same State electorate.

Yours sincerely

Ric Snow

President.
