Subject: Objection to Electoral Boundary Changes - Eyre and Kalgoorlie

PERTH WA 6000.

As a resident of Kalgoorlie and the Goldfields region, I object to the proposed changes to the electoral boundaries for the seats of Eyre and Kalgoorlie.

The regional areas encompassed by current boundaries of the seats of Eyre and Kalgoorlie are historical and traditionally known as the Goldfields. The communities have close ties, the area is unique supporting agricultural, aqua culture, indigenous culture and the vast pastoral and mining industries, and residents are proud of the diversity of the region. Kalgoorlie-Boulder is a prosperous City and central to the overlapping seats of Eyre and Kalgoorlie with Esperance and surrounds to the south, Yilgarn to the west and the Lands to the north and the many towns in-between. The proposed changes will split apart the Goldfields and significantly reduce representation of the many communities to the north and south in the Goldfields region.

For these reasons, the current boundaries should remain unchanged.

Please accept my objection to the proposed electoral boundary changes for the seats of Eyre and Kalgoorlie.
