Subject: Changes to electoral boundaries

Secretary
Office of the Electoral Distribution Commissioners
Perth

Dear Sir,

The Mount Helena Residents and Ratepayers Association wish to object to the changes that will once again move our residents to a different electorate. We are at present in the Darling Range Electorate and feel that this is the best grouping to allow our member to represent our interests because of the similarity of demography and geography.

The present member has taken the time to learn of the particular issues which affect our small region and has made genuine efforts to address many problems. He should be permitted to follow through with the usually long processes required to bring about change.

I hope that you will consider this when adjusting the boundaries.

Yours sincerely,
Gwyneth Dean,
President
