Subject: Boundary changes

Dear sir/ madam, i know my objection will have no effect, and the decision has already been made, but i object to the proposed boundary changes. I live in Hillman , which is a suburb of Rockingham. Under these new boundary changes, i will have to vote for an MP who's constituency is Kwinana, which is physically seperated from Hillman by a major road, a railway and at least 4kilometers of bush. We are part of Rockingham, our MP should represent Rockingham, not Kwinana!.
