Dear Sir, Madam

We the interest group of Baldivis rate payer are object to the proposed electoral boundaries.

As Rockingham MLA Mark Mc Gowan is encouraging us to put in submission on the new local government boundaries, we like to object the split up of the Baldivis Community in to District.

We proposed to take the boundaries between Warnbro and Kwinana from Lake Walyungup east towards the Kwinana Freeway straight and not cutting Baldivis in half, also taking out the U inset of Lake Amarillo to Darling Range and Murray corner of Local Gov Boundary. This will make more straight and even boundary to the new Warnbro proposed District and will not split our Community in half.

Attached a map with the proposed change.
