To whom it may concern, my name is Adam Sutton, i live at [REDACTED], Baldivis WA 6171, Australia. I find it very strange to be splitting up Baldivis with Kwinana district which is a totally different Council. We need to keep all Baldivis the same so we can have our say who we want to represent our area and community and what is happening in our area. What is the point of people living in Baldivis voting for representatives who look after the Kwinana district. The boundaries should be left as they are.
