To whom it may concern,

My partner and I would like to voice our strong objection to the proposed name change of baldivis north of safety bay road to Kwinana .

As Kwinana has historically been associated as an industrial area we believe it will have an adverse effect on residence now living in what we bought into as a vibrant residential community.

We live on fifty road and are surrounded by hundreds of houses that bought into the same marketed developments of baldivis as a go ahead area.

NOT part of a grain and gas port.

Sincerely yours

Paul Sanders and Melanie Blake
