PROPOSED ELECTORAL BOUNDARIES • have been released, which would see the seats of Moore and North West Central abolished and amalgamated into the seat of Mid West, for the creation of another metro seat, Oakford.

This is nothing short of an assault on fair representation for regional voters and follows WA Labor's submission to the Electoral Commission, which outlined their plan to abolish another regional voice.

I urge everyone to make their objections heard before 21st August.

Send an email to boundaries@waec.wa.gov.au it doesn't need to be long, just copy and paste from the above statement and add that you're opposed to it.

This has been brought to my attention, I definitely against amalgamating the seats of Moore and North West Central!

The people who live in rural WA require as much if not more representation in the parliament, I find it abhorrent to the suggestion of removing more of their representation.

Kind regards

Lloyd Silcock.
