Hello.

OPPOSED VIEW

PROPOSED ELECTORAL BOUNDARIES • have been released, which would see the seats of Moore and North West Central abolished and amalgamated into the seat of Mid West, for the creation of another metro seat, Oakford.

This is nothing short of an assault on fair representation for regional voters and follows WA Labor's submission to the Electoral Commission, which outlined their plan to abolish another regional voice.

Do regional lives and views not matter?

How is it even possible that we can change boundaries?

WA Labour have outdone themselves now. A pathetic attempt to silence the regions.
We didn't realise the city folk don't like food? No regional boundaries, no farmers, no farmers no food.

Very disappointing times ahead if we go this route.
