This is nothing short of an assault on fair representation for regional voters and follows WA Labor's submission to the Electoral Commission, which outlined Labors plan to abolish another regional voice.

I am like most others opposed to it.

In my opinion this is a dictatorship act & proves to me just one of many dishonest methods to silence regional Australians voting rights.

Australians are waking up to politicians dishonest ways and have had a gut full of it.

PROPOSED ELECTORAL BOUNDARIES THAT have been released, which will see the seats of Moore and North West Central abolished and amalgamated into the seat of Mid West, for the creation of another metro seat, Oakford.

John Tilley
