Good morning,

Please find below the decision of Shire of Kulin from its Council meeting held on 16<sup>th</sup> August 2023, in objection to the proposed Electoral Boundary changes.

05/0823

Moved Cr West Seconded Cr Gangell that Council formally endorse and support the WALGA Objection to Proposed Electoral Boundaries on the basis that the reduction of non-metropolitan districts will:

1. Further diminish political representation for regional communities;
2. Increase pressure on regional Local Governments; and
3. Fail to recognise the contributions of non-metropolitan districts to the WA economy.

Noting WALGA and its Member Local Governments support increased resourcing for electorate offices in non – metropolitan districts, particularly those that cover a large geographical area, to ensure effective political representation at the State level

Further that the Shire of Kulin make a direct objection to the Proposed Electoral Boundaries consistent with the WALGA Objection Proposal.
