Hi, I object to changing the boundaries in the country and having one more seat in the city, this is bloody wrong

PROPOSED ELECTORAL
BOUNDARIES • have been
released, which would see the
seats of Moore and North West
Central abolished and
amalgamated into the seat of Mid
West, for the creation of another
metro seat, Oakford.

This is nothing short of an assault
on fair representation for regional
voters and follows WA Labor's
submission to the Electoral
Commission, which outlined their
plan to abolish another regional
voice.
