# REGIONAL VOICES ARE UNDER ATTACK

The West Australian Electoral Commission has released the 2023 Proposed Boundaries which would see the seats of Moore and North West Central abolished and amalgamated into the seat of Mid West, and the creation of another metro seat, Oakford. This is just two years after WA Labor stripped 18 regional members from the Upper House of Parliament.

These changes mean when regional West Australians go to the ballot box in 2025, their voice will be lost. WA Labor is destroying our democracy and sacrificing regional communities one at a time to concentrate the power in Perth.

To try and stop this, WE NEED YOUR HELP. We need to stand up and let the Commission know how these boundary changes will affect our community.

How will the loss of the Moore electorate affect you?

*Not enough representation as it is, without removing another representative.*
