Dear Dr Claringbold,

The proposed changes to the electoral boundaries are conducted by the Electoral Distribution Commissioners not the Western Australian Electoral Commission.

I have forwarded your comments on to the Electoral Distribution Commissioners.

All the best.

Details of Complaint Feedback:

I wish to complain about the proposed changes to regional electoral boundaries which have the effect of reducing regional representation and increasing the size of certain electorates to unmanageable proportions. In particular the establishment of the Midwest super seat which will make it nearly impossible for the communities to have access to representation. An attack on regional democracy.
