Sir/Madam

I refer to the Review of the State Boundaries which is presently underway.

The City of Swan is the largest Metropolitan local government in area comprising 1044 square km.

Currently we have 6 State Electorates being Swan Hills, Midland, West Swan, Belmont, Bassendean and Mirrabooka.

The smallest of these located within the City of Swan is Mirrabooka of which a small proportion of the electorate is located east of Alexander Drive in the suburb of Ballajura.

Would it be possible to reduce the number of electorates within the City of Swan to 5 by moving small portion of the electorate of Mirrabooka from the suburb of Ballajura

Regards
