I write as a resident of Marangaroo. My family has lived here for the past 30 years.

The idea of moving Marangaroo to another seat connecting it to Mirrabooka does not reflect how my community functions.

Being near to Kingsway and Hepburn Avenue we tend to shop in Kingsway Shopping Centre and use services in the South Ward of the City of Wanneroo rather than those in the City of Stirling.

These include the Girrawheen Library, Girrawheen Seniors, churches and the community services in the Girrawheen hub.

It would also mean that the office for the local representative would be 5 kilometres away and Marangaroo would be on the edge of the seat. Out of sight and out of mind.

I also know Alexander Heights well and find it odd that you intend to include that in the new seat but cut out Marangaroo. In my view it should be the other way round.
