We are strongly opposed to closing any country electoral boundaries, it is just a spiteful act by our WA premier against country people who he dislikes intensely.
When he won the election he said they would be a government for all the people, what a lie, he has done nothing but shut country people out. We are an integral part of this country and deserve to have a voice in government. the wealth that comes to this state from the country area, oh yes ready to grab that.
We urge that our seats in government be left alone no matter how many people live in that seat.
Regards Robert and Bev Clare
