Mr R Kennedy
Electoral Commissioner
Western Australian Electoral Distribution Commission
Level 2, 111 St Georges Terrace
Perth WA 6000

Dear Mr Kennedy,

Thank you for your letter with regards to a *Call for suggestions about future State electoral boundaries* received by the Shire late April.

This request was considered by the elected members of the Shire of Gnowangerup as part of an informal discussion on the 26 April 2023.

The Elected Members were grateful for the opportunity to contribute towards this boundary review but as the Shire of Gnowangerup which falls within the district of Roe is not directly affected, their comments were simply that of being supportive of the process.

Yours sincerely,

David Nicholson
Chief Executive Officer
