Good Morning,

The Shire of Shark Bay submitted a suggestion not for a proposed new boundary or boundary name relative to the Northwest Central seat, but rather criteria that support the review and retention of the seat in its current form.

On review of the suggestions submitted, it is clear that there is overwhelming support for the retention of the current 16 regional seats. We would also like to highlight the suggestions from our fellow North West Central Local Governments, all in support of the retention of the North West Central Seat.

Kind Regards

Dale Chapman
